

NATIONAL STOCKING PROGRAM
nsp guide

Need it fast?

Inside, you will find numerous workplace furniture solutions — seating, desks, files, tables and accessories — all at various price points — **and all in stock for immediate delivery!**

While we offer many additional products in a wide array of styles, colors and finishes, every item shown in this guide can be delivered to you in as little as a few days. Each product is listed with the model number and stocked textile(s) and/or finish(es).

Whether you order a chair, a bank of files or a complete office, our network of dealers can provide you with whatever you need, when you need it... just ask!

Ergonomic Features

A TENSION ADJUSTMENT

Increase or decrease to match body weight. Allows you to rock comfortably, without heavy pushing, reducing muscle fatigue.

B CHAIR TILT LOCK

Lock the tilt movement in position(s) to accommodate your working posture. Allows you to lock your chair in a comfortable and supportive position. (can be either single position or infinite style).

C SEAT HEIGHT

Raise or lower to allow your feet to rest flat on the floor. Avoids pressure under your thighs, easing blood flow.

D BACK HEIGHT

Raise or lower to position lumbar support in your lumbar area. Reduces likelihood of back pain.

E SEAT DEPTH

Change the depth of the seat to accommodate the length of your thighs. Keeps your back in contact with the backrest while avoiding pressure behind your knees.

F FORWARD SEAT ANGLE

Allows chair to tilt forward changing the angle of your thighs in relation to the floor. Helps reduce disc pressure during forward leaning tasks.

G BACK ANGLE

Adjust to change the angle of your torso in relation to your thighs. Helps reduce disc pressure and relaxes your back muscles.

H ARM HEIGHT

Raise or lower to support your forearms. Reduces muscular effort in neck and shoulders, minimizing risk of pain.

J KNEE-TILT MOVEMENT

Chair tilts from a pivot point at the front of the seat, keeping your feet on floor as you rock. Maintains stability while enhancing blood flow.

L SYNCHRO-TILT MOVEMENT

Backrest reclines at a faster rate than the seat, increasing the angle between your torso and thighs. Enhances comfort and encourages dynamic body movement.

Ergonomic Features

M WATERFALL SEAT EDGE

Reduces pressure at the back of the knee, contributing to good blood flow.

N PROPERLY CONTOURED CUSHIONS

Support the body effectively, allowing you to sit longer without discomfort.

Q WIDTH ADJUSTABLE ARMS

Allows outward movement of armrests to match shoulder breadth. Ensures armrests properly support forearms, reducing muscular effort in neck and shoulders.

R ARM ROTATION

Rotate armcap to support your forearm in various positions. Reduces muscular effort in neck and shoulders, minimizing risk of pain.

S CENTER-TILT MOVEMENT

Chair tilts from a pivot point under the center of the seat allowing you to rock. When your feet are well supported, blood flow is enhanced.

T PUSH BUTTON

Push to activate control. Location within reach increases your adjustment. Promotes good posture as you move to various positions.

U SOFT DESCENT PNEUMATIC LIFT

Gently and gradually lowering the seat helps you easily select proper seat height without causing a jerking motion.

V LUMBAR DEPTH ADJUSTMENT

Increase or decrease curvature of the back to match the profile of your lower back. Enhances comfort and support in the lower lumbar area.

We've got you covered.

A LIFETIME OF VALUE.

We have you covered so you can enjoy your purchase without worrying about future quality issues. Global warrants that all commercial products are free from defects in material and workmanship, for the life of the product, to the original purchaser. Global will repair or replace, at Global's option, as the sole remedy for any defect covered by the warranty.

WHAT'S COVERED UNDER THE GLOBAL LIFETIME WARRANTY?

Global's Lifetime Warranty covers manufacturer defects for seating, desks, tables, panels, metal storage and filing...everything you would need in a contract work environment covered for the life of the product.

NO WORRIES on plastic components, casters, glides, pneumatic cylinders, arm structures, arm caps and bases.

NO WORRIES on drawer slides, trays, locks, keys, metal legs and grommets.

NO WORRIES on panel frames, edges and work surfaces.

For complete details, visit the Global website and refer to the dedicated Warranty section.

lightning^{2 DAY}

GLOBAL'S 2DAY LIGHTNING PROGRAM OFFERS MANY OF OUR BEST SELLING MODELS WITH YOUR CHOICE OF OUR MOST POPULAR TEXTILES AND FINISHES.

The 2DAY LIGHTNING program offers easy customization due to endless choices. Simple to order with no restrictions. And now even faster production and shipment.

Need quick, simple and custom? Think Global!

For complete ordering instructions and terms + conditions, please refer to the 2DAY LIGHTNING brochure or contact Customer Care.

When you see this symbol, the adjacent product is suitable for UPS shipment.
